HYDRADERM CELLULAR ENERGY MACHINE FACIALS

As we age, skin cells become sluggish and regeneration slows down. Hydraderm Cellular Energy's Dynamic Ionisation reawakens energy within the skin cells whilst speeding up the enzymes responsible for repairing damage and stress caused to the skin. Combining this Dynamic Ionisation with Thermal Energy, the oxygen level within the skin is increased, cellular regeneration is accelerated and toxins are eliminated to reveal a brighter, more youthful complexion instantly. This is the alternative to aesthetic medicine for men & women.
